The INDEPENDENT has a larger daily circula-

class matter

Judge Tuley, of Chicago, is not going to be hasty in making his decision upon the suit of the Arbeiter Bund, an anarchist organization, to enjoin the municipal authorities from interfering with it in the holding of public meetings. If anything is to be told by his remarks on THE CHICAGO ANARCHISTS. Arbeiter Bund's and other anarchists'
meetings is that, while they may be
peaceable for the time being, they tend
to disorder because of the constant
preaching of violence as a means of re
"Having subscribed the printed forms to
these questions the voter passes into the
private room, where he finds a table and dressing supposed wrongs of those whom they are fond of calling the proletariat. It is, moreover, very doubtful if the freedom of speech which the constitution guarantees was ever intended to shield the license of utterance to which scrutiner is allowed to go with him and a scrutiner is allowed to go with him and

the Arbeiter Bund people are addicted. The imputation that Judge Tuley conceived was conveyed in the language of the corporation attorney, Mr. Knight, was undoubtedly not intended. The judge has yet four years of his second judicial term before him; he is well advanced in years, and it is very unlikely that he will be a candidate for re-election. The eight years he has served upon the bench at Chicago have given him a rep- been in operation in Canada for several utation for fairness that is enviable, and the language of the attorney for the city

elections and the intimidation of voters. where the boast is that intelligence A few years ago a law was enacted by more general than under any other govthe New York legislature prescribing an ernment. The item of added expense is iron-clad oath for elective officers that they had not given any money themselves or known of the use of money by others to secure their election. It is of record that just one person has derecord that just one person has decan be looked for is the enactment of a | 43,40, clined to take the oath, and he made obproper registration law, such as the bill jection that it was not an oath that the state had a right to prescribe. But in spite of that fact it is freely charged that hundreds of thousands of dollars were spent at the last election in New York state in the open market in the purchase of votes. The allegations as to whence contributions came and the manner of disbursements are very ture is one for the suppression of quackcircumstantial; but nevertheless no of the officers elected has at the iron-clad oath. ing." The territory is infested by a changed The trouble is with the tone of number of arrant humbugs, who, prepublic sentiment, which gives a tacit tending to a knowledge of medicine they consent to corruption of the ballot. do not possess, promise cures they can-When the public awakes to the not effect and rob their dupes of their corruption that exists and demands the enforcement of the laws they health, by the ignorant administration will be found ample for the punishment of drugs. At best medicine is not an of offenders, without the addition of any exact science, and when it is undertaken of the laws suggested by Gov. Hill in his by the class of men referred to more is inaugural message.

STORAGE RESERVOIRS. The report of Major Powell, director of the geological survey, heretofore alluded to in its reference to the storage reservoir plan, makes a glowing statement of what can be accomplished by the utilizations, and they paid him \$240,000. the geological survey, heretofore alluded tion of Lake Tahoe for irrigation pur-poses. The lake, according to Major late Secretary of State Frelinghuysen, is in a feeble condition at her home in New-Powell, is "filled from a catchment basin ark, N. J., and her family have the gravest of 500 square miles, having a surface of fears about the outcome of her illness. of 500 square miles, having a surface of 125 square miles," which, properly handled, would irrigate 500,000 square miles. It is entirely feasible to construct artificial lakes in the mountain canons, capable of storing water suffi-cient for the irrigation of thousands of acres each. In Montana there is not the need for as large reservoirs as would be required to reclaim lands in California. required to reclaim lands in California, because the season during which irrigation is needed is much shorter here than there. Delegate Toole is doing all in his power to secure the appropriation

Ben Butter is trying to break the will of Saily Sumner, of Hyde Park, Mass., who is all Sumner, of Hyde Park, Mass., who is that there. Delegate Toole is doing all in his power to secure the appropriation in his power to secure the appropriation of the \$125,000 recommended by Major | sollism, Henry Georgeism or any other ism it can't stand in law" Powell to continue the surveys and experiments in Montana undertaken by Mr. Douglass, the surveyor in charge, and before many years, if congress does its duty by the territory, vast tracts of land now classed as desert will be made.

When Will Bright, son of John Bright, wanted to reprove his father for the latter's severity in commenting on the son's adherence to home rule principles, the young man wrote: "My dear father, these are not the kind of letters that should be addressed by one statesman to another." land now classed as desert will be made

land now classed as desert will be made productive in the highest degree.

"Jack" Logan, the son of Gen. John A. Logan, has an utter abhorrence of politics and political life, although he is an ardent republican. He is managing a stone quarry and coal mines at Youngstown, Ohio, for his father-in-law, Mr. Andrews. Young Logan has a passion for fast horses and drives a trotter that steps away from anything in the Mahoning valley. which was founded by fourteen men on Dec. 16, has already a population of 5,000; but as several Oklahoma towns have vanished, like the host of Sennacherib before "the breath of the Lord," so may the new-made glory of Springer pass away are the Samona, steamship, from New in a night.

Moses W. Field, who was formerly the chief fugleman of the greenback party in Michigan, is now engaged in booming ex-Gov. Alger for a place in Harrison's cabinet. In spite of his confident declaration at the close of his interview with Gen. Harrison's Captain and the value of the ships and cargo \$1,000,000. with Gen. Harrison on Toursday that his mission had been successful, it is very doubtful if Moses W.'s advocacy shall. Be that as it may, the battle waged will go far with the president-elect.

THE INDEPENDENT Discussing the expectation of some peo-Discussing the expectation of some people of his race that a colored man would be called into Harrison's cabinet, he says: "I don't believe Harrison will do it. We can afford to wait a few years—until the whites are educated up to that point." But Prof. George L. Knox. hat point." But Prof. George L. Knox. of Indianapolis, also colored, looks at it in a different light, and thinks Gen. Har-UBLICATION OFFICE, - BROADWAY. rison should "give the negro cabinet recognition.
